BLTG CAN COMPLEMENT YOUR PATENT BENCH

We offer a deep bench of patent law experts - able to assist your team with reviews related to **assertions, litigation, post-grant challenges, claim chart development, acquisitions, due diligence and portfolio profiling around patents.**

SAMPLING OF WHAT WE OFFER:

- Substantive patent law expertise to complement your litigation team (e.g. claim construction expertise, file history analysis expertise, non-infringement and invalidity; deep dive expertise; analysis for post-grant challenges)
- Defensive assertion patent review and analysis (Patentbusters® service)
- Opinion letters
- Assistance in developing offensive patent assertion case
- Due diligence in acquisitions
- Portfolio profiling (company or 3rd party)

OUR TEAM:

- Senior attorneys with 20+ years of extensive patent review expertise (in-house and law firm experience)
- Deep patent prosecution expertise (complementary to litigator's expertise)
- Patent strategy and licensing expertise
- Electrical, hardware, mechanical, software, business methods
